IV. How do we protect your data?

- a) **Security**
We take appropriate technical and organizational measures to protect your personal data against loss or other forms of unlawful processing. Our company makes every effort to comply with the best practices of information security.
- b) **Confidentiality**
We undertake the obligation of confidentiality with all contractual partners. This confidentiality applies to the personal data processed in relation to the contract between our company and our contractual partner.

V. What are your rights with regards to our processing of your personal data?

5.1. Information and access to personal data

You may request the company in writing to provide information as to:

- a) the personal data processed by our company regarding you, as well as
- b) the legal basis of the processing,
- c) the purpose of the processing,
- d) from which source the personal data originate,
- e) the duration of the processing,
- f) to whom our company forwards the personal data and its legal basis.

We shall comply with your request within 15 (*fifteen*) days by electronic or postal mail to the address you provided. Prior to complying with the request our company may ask you to further specify the request or the data processing activities.

If your right to obtain information as described above adversely affects the rights and freedoms of others (*especially regarding trade secrets and intellectual property rights*) we are entitled to refuse to comply with the request in the necessary and proportionate amount.

In the event you request the above information in multiple copies, our company is entitled to bill a proportionate and reasonable amount of money in connection with the administrative costs of fulfilling the request. If the personal data indicated by you is not processed by us, we shall nevertheless inform you of this fact.

5.2. Right to rectification

You shall have the right to obtain from our company without undue delay the rectification of inaccurate, incorrect or incomplete personal data concerning you. We shall correct the inaccurate or incomplete data immediately, but no later than within 5 (*five*) days. If it does not conflict with the purposes of the processing, we may complete the incomplete personal data by means of a supplementary statement provided by you. We shall notify you of the above by electronic or postal mail to the address you provided.

Our company shall be exempted from complying with the request for rectification if

- a) the accurate, correct and complete personal data are not available and you do not provide those to us, or
- b) if the validity of the personal data provided by you cannot be established.

5.3. Right to erasure („right to be forgotten”)

You shall have the right to request from us the erasure of any personal data relating to the data subject. You shall make the request in writing with specifying the personal data to be erased and the reason for the erasure.

The fulfilment of the request shall only be denied by our company in case the processing of the personal data is obligatory for us by law. Should we not be obligated by law to process the personal data then we shall comply with the request no later than within 15 (*fifteen*) days and inform you by electronic or postal mail to the address you provided.

5.4. Right to restriction of processing

You may request our company the restriction of processing the personal data in writing. The restriction shall apply until the reasons you specified make it necessary. You may request the restriction of processing if:

- the accuracy of the personal data is contested by you (*for a period enabling the controller to verify the accuracy of the personal data*);
- the processing is unlawful and you oppose the erasure of the personal data and request the restriction of their use instead;
- you have objected to processing pending the verification whether the legitimate grounds of us as the controller override those of you as the data subject.

Where processing has been restricted, such personal data shall, with the exception of storage, only be processed with your consent or for the establishment, exercise or defence of legal claims or for the protection of the rights of another natural or legal person or for reasons of important public interest of the Union or of a Member State.

If you have obtained restriction of processing, you shall be informed by our company before the restriction of processing is lifted.

After complying with the request of restriction our company shall inform of that fact any persons or legal entities to whom we have lawfully forwarded your personal data, unless such a task is impossible or would require unproportionate effort from our

company.

5.5. Right to an effective remedy

5.5.1. Dispute resolution with the Company

You may announce your request regarding information, rectification, erasure and restriction in person or in writing at any addresses of our company provided in Section I.

5.5.2. Right to complaint

In the event the dispute resolution with us proved unsuccessful or you deem that your rights listed above were violated or a direct risk of such violation exists, you are entitled to lodge a complaint with the Hungarian National Authority for Data Protection and Freedom of Information.
